

Unique Trade Company – the new owner of TM SATO tech

Ukrainian national distributor of auto parts and liquids has received the rights to TM "SATO tech" from the Company "AUTO PARTS TRADING".

"We are convinced that a new page in the history of SATO tech will lead to rapid brand development. The quality of auto components will remain on high level, and new approaches in the technological process will allow to expand the range of products significantly,"- says Unique Trade CEO Sergiy Sydoruk.

The company plans to expand the SATO tech product categories. The Company will announce details about the new products soon.
